

YOU'RE INVITED TO A
SCIENCE-INFORMED ART EXHIBITION

HEAR/SAY

Hear/Say Exhibition Explores Health Impacts of High-Concentration Cannabis through Art

At the intersection of art, science, and health, a new exhibition is taking shape in **Fort Collins and Colorado Springs, Colorado**. Entitled *Hear/Say*, the exhibition features local and national artists exploring a scientific topic through an artistic lens, encouraging conversation and open-minded understanding on a controversial subject.
